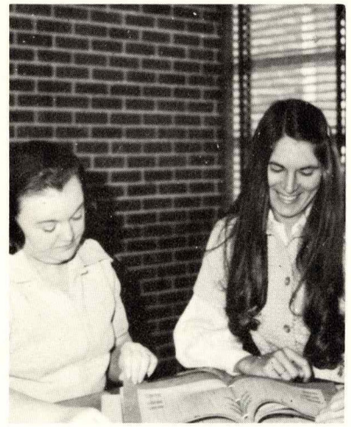
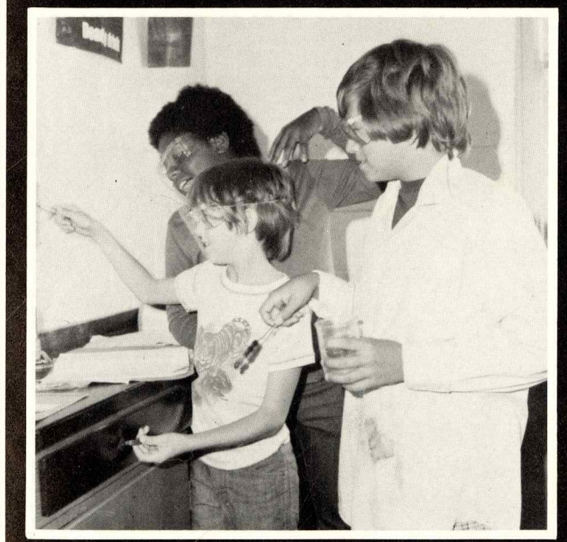
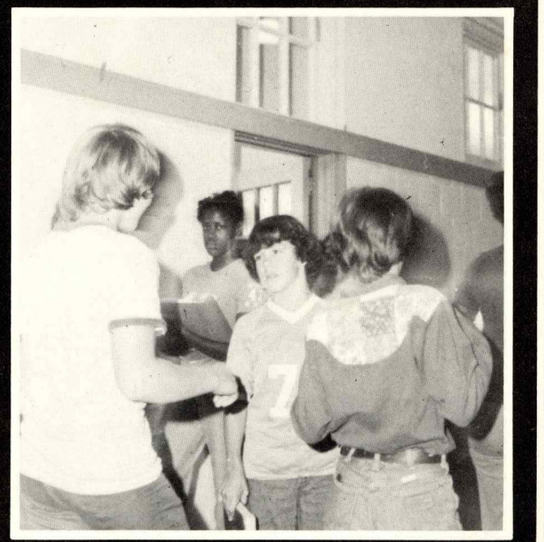
We proudly dedicate the 1976-77 Panther Paw to Mrs. Patty Waters!

Mrs. Waters has been teaching at PJHS several years, and we are happy to have this opportunity to honor her. She teaches seventh grade English and is chairman of the English Department. Whenever there is a school activity you can depend on Mrs. Waters to participate. Her students use these words to describe her - peppy, friendly, witty, and good humored. Because we think she is a great teacher and person, we dedicate the 1976-77 annual to her.



Student Life





Panther Paw Staff

The Annual Staff, made up of 4 seventh graders, 5 eighth graders, 6 ninth graders, and 3 sponsors, worked hard to make this years annual the best yet. Many hours were spent drawing, cropping pictures, and writing for each page.

The PJHS Variety Band added a special sparkle to the football games and pep rallies. A student becomes a member of the Varsity Band only after completing beginner band and meeting playing requirements.

The band also took part in parades, band clinics, and concerts.

Each year the Potpourri Staff, headed by Margaret Hoskins, puts together a delightful collection of poems and stories written by PJHS students. For many students, with writing ability, this is their first chance to show off their talent.

Our PJHS Paw Print contained many interesting articles. It told of many events during the school year. It had teacher interviews, puzzles, and many other school centered items. The staff was sponsored by Shirley Larson.
